RE: - **RECOMMENDATION AND REFERENCE LETTER – PRIME INFORMATION SYSTEMS LIMITED (PISL)**

The above-mentioned company has requested the National Housing Authority (NHA) to provide a professional reference to you.

We would like to state that Prime Information Systems Limited (PISL) has been involved with NHA, on a business relationship for more than one year now. PISL was engaged for the supply of Financial Planning and Budget Monitoring Software – Veera, to NHA. Veera is a cloud-based software offered as "Software as a Service – (SAAS)" in which NHA was also trained in its usage by PISL and we have been using it since then.

From our experience so far, PISL is a strong and dependable services provider of such services and similar one. We hold the view that given a chance to offer its expertise to any potential client, PISL will be able to perform such an undertaking to satisfactory levels. Therefore, Prime Information Systems Limited has our unreserved support and recommendation.

For further queries about the company's work ethics and professionalism, please contact the undersigned below on: +260966459109 or rexmubus@gmail.com

Sincerely yours
